

The Afternoon DESPATCH & COURIER

Sheer splendour

Saturday, February 24, 2018

It was all very elegant and exquisite at the delightful dinner at the Alfresco Sky Lounge of Rustomjee Elements. Guests enjoyed the music, splendid setting at the long table seating over 100 people, the food and luxury drinks. There was also an auction of an artwork by Anish Kapoor. Earlier, guests stepped into a distinctly opulent apartment designed by Jimmy Mistry. They saw that the entire home, every single room, is remarkable for the sheer technological prowess installed in it which is at par with the best homes anywhere in the world. Looking happy indeed was Boman R Irani, chairman and MD, Rustomjee Group. And you heard that Rustomjee Elements is spread over three acres and is a gated community designed for those who appreciate the finer things in life and are looking for a home that not only matches their exalted status but also provides for an elevated, exclusive lifestyle.
